Diary of a Minecraft Zombie is a book series that gives us a first-hand view of life through the eyes of a 12 year old Minecraft Zombie. Zack Zombie is a 12 year old zombie that has to deal with the usual angst that comes from being a preteen zombie in Minecraft middle school.

From mutant bullies, zombie puberty, or participating in the occasional Zombie Apocalypse, Zack and his group of special Minecraft friends, find creative ways to save the day...Even if it includes running away from the occasional mob of pitchforks and torches.

In every book, with the help of his best human friend Steve, Zack learns valuable life lessons that help him deal with the challenges of his zombie preteen life. Through lessons about friendship, courage, overcoming adversity, overcoming lying, sibling rivalry and more, we are easily endeared to this lovable zombie. "My son is reading this on our Kindle. It's the first chapter book I have been able to convince him to sit and read on his own!! He loves being read to, but for whatever reason, doesn't care to read solo. With this book, it's not a struggle to get him to read his assigned 20 minutes a day."

"I bought this book for my 3rd grade classroom with one of my most reluctant readers in mind (who's a big minecraft fan). He wouldn't put it down the first day! He was reading in halls, cafeteria... Any free moment. Well worth it to just see that student enjoying a book and wanting to read!"

"My 4th grader loves these book. She's typically not an avid reader, but these books are so cleverly written that she couldn't put them down. We ordered the first two, and she'd read them both within a week. My daughter took them to school to show all of her friends (the same ones who wanted nothing to do with Minecraft until my daughter introduced them to it), and the books were a hit. We will be ordering the next volumes soon."

"Grandson not a big fan of reading, but loves Minecraft. Took a chance and ordered the book for him. As a 2nd grader he loved it. The short chapters were easy to read, and the various story lines kept his interest. Even grandma, found humor in some of the 'unusual' antics. It got my grandson reading everyday of Christmas break and that was great."
